### CHANGE OF DETAILS

Please notify a staff member of any changes to your personal details for administrative purposes.

### SWIM NAPPY POLICY

All children 3 and under are required to wear an approved swim nappy at all times when they are in the water. This is to ensure patron safety and to maintain the highest possible water quality. Patrons will be asked to display evidence of a swim nappy at the pool entrance or at the start of their swimming lesson. Regular nappies do not qualify as swim nappies as they can swell and break open leaving unwanted gel in the water. Disposable or reusable swim nappies are available for purchase at the kiosk.

### FILMING AND PHOTOGRAPHY POLICY

1. The use of all electronic devices in change room areas is strictly prohibited.
2. Any person requesting the use of an electronic device for photography or to film someone must agree and sign the electronic devices consent form available at the Kiosk. During this process the person will show a valid form of ID to a Gawler Aquatic Centre Staff Member and allow for their details to be recorded in our database.
3. Upon signing and agreeing to the terms and conditions the person will be issued with a red wristband which identifies them to the public and staff as having read and understood the terms and conditions of electronic device policy.
4. Anyone without a red wristband taking photos or filming will be asked to cease doing so and asked to comply with the current policy. In suspicious circumstances the person using an electronic device may be asked to show management any photos and/or film they have allegedly taken, failure to do so may result in the police being called.

### LOST PROPERTY

Lost property such as goggles, swimwear or personal accessories is kept on site for a maximum of two weeks. After two weeks all goggles, swimwear and personal accessories will be donated to charity. Personal accessories such as rings, wallets, phones will be kept in the safe for two weeks and handed over to the police after such time. We strictly prohibit loaning or handing out lost property.

### HOT WEATHER POLICY

If the temperature is 35 degrees or greater at 4pm as forecast by the Bureau of Meteorology for Gawler, on a Saturday or Sunday then the Gawler Aquatic Centre will remain open until 7.00pm. Please note, the hot weather policy and extension of operations hours will not be applicable to Public Holidays and over the Christmas and New Years period (Sunday 24 December 2023 – Monday 1 January 2024).

### LIGHTNING

The presence of lightning around an outdoor pool poses a serious safety risk. When lightning is within 10km of the Centre the water must be immediately evacuated. The "Flash-to-Bang" measurement of approximately 30 seconds between 'flash' and the 'bang' indicates that lightning is 10km away. Once lightning has moved 10km away or 30 minutes after the last thunderclap patrons may re-enter the water. Please be aware that no monetary refunds will be given to patrons in the event of an evacuation due to lightning.

### POOL RULES

Please ensure you are following the pool rules at all times, follow the instructions of staff and enter the water in a safe manner at all times. The pool rules are in place for the enjoyment and safety of everyone at the Centre. The Watch Around Water Policy must be adhered to at all times. Enjoy yourself and please respect the personal space of others.
