TOWN OF GAWLER

Purpose for which land is held

To facilitate the provision of organised sporting activities for the community

Reason why management plan required

To ensure an equitable, efficient and sustainable use and enjoyment of organised sporting venues

Objectives for management of land

Maintain sporting ovals to be used for sporting purposes as deemed reasonable by Council and/or the Lessee

Policies and proposals for management of land

- Council will maintain public access areas not otherwise included as responsibility of lessees
- Council will maintain irrigated turf areas
- Lessees will provide and maintain any specialist equipment and infrastructure required for their activities.

Performance targets

- Maintain ovals to a reasonable standard for use by various sporting and other groups. The maintenance involves watering, weed control, mowing and other ongoing general maintenance

Performance measures

- Inspection of ovals by Council staff on a regular basis
