

Community Garden Expression of Interest

This form is to register an expression of interest in developing a community garden in the Town of Gawler local government area. The EOI allows Council to assess the proposed community garden site before a formal community gardening application is submitted. Before completing this form, please familiarise yourself with the following documents:

1. Town of Gawler Community Gardening policy.
2. Growing Community – starting and nurturing community gardens e-booklet.
3. The Australian City Farms and Community Gardens 'Plan of Management Template'.

Council will endeavour to contact you regarding your EOI within 14 days. Once your EOI has been discussed with the appropriate staff member and accepted you will be provided with a Community Garden Application Form which your group can complete and lodge with Council for consideration.
