

TOWN OF GAWLER
COMMUNITY LAND MANAGEMENT PLAN
PLAYGROUNDS

Identification Details

See attached Schedule

Ownership Details

TOWN OF GAWLER

Purpose for which land is held

Each of the playground areas is on land held as a reserve

Reason why management plan required

To ensure that the land is maintained in a safe, accessible condition for public enjoyment

Objectives for management of land

To provide playground equipment specifically designed for children, to be used by all members of the community at specific locations.

Policies and proposals for management of land

- Maintain to Australian Standards, within budget funding
- Program replacement playground equipment
- Maintain an accurate inventory of all playground equipment

Performance targets

- Ensure playground equipment and surrounding areas to a reasonable condition.
- Playground equipment to operate correctly and not pose a safety hazard

Performance measures

- Regularly inspect and maintain playground equipment in conjunction with ongoing inspection process and installation of new equipment in accordance with ongoing safety checks.
