Venue Hire – Terms and Conditions

Definitions

In these conditions of hire, unless the context otherwise requires, the following words shall have the following meanings: The “Facility” means the hired facility within the Gawler Civic Centre, operated by the “Town of Gawler” (TOG), including the Town Hall and Institute Buildings and where applicable the walkways and other areas connected with the Centre to which the Hirer and the public attending the Centre have access. The “Hirer” means the person or persons from whom the facility has accepted a booking and who has paid venue hire fees and/or any required deposit and otherwise complied with any conditions established by the facility to the hire of the facility. The “Council” means a representative appointed by the Town of Gawler. The “TOG” means the Town of Gawler.

Bookings

Except at the discretion of the Council: a tentative booking will not be held longer than seven (7) days and facility bookings can only be made twelve (12) months in advance from the current date. Payments must be received in full at least 7 days in advance of the booking, unless prior arrangements have been made.

Hire Period

The Hire Period will cover the time(s) stipulated in the ‘Gawler Civic Centre Application to Hire’ form and agreed to by the TOG. Access to the facility at times outside those stipulated in the “Gawler Civic Centre Application to Hire” form will incur additional charges payable by the hirer. The approved hire of any Council facility is not transferable.

Fees and Charges

Hirers are required to pay the correct hire rate as set out in the TOG’s annual Fees and Charges register, their signed Application to Hire form and the terms of their invoice. Council administration reserve the right to consider special circumstances on a case-by-case basis.

The TOG is entitled at their discretion to request a bond of up to \$1,000 to cover any abnormal costs incurred by the Hirer during the hire period, such as costs of repair resulting from damages and/or abnormal cleaning costs and/or TOG staff wages. If no such costs are incurred, the bond agreement will be returned to the hirer. Any additional charges incurred by the Hirer during or outside the Hire Period shall be paid either out of the bond held or within seven (7) days of receipt of the invoice detailing such charges. Any damage by the Hirer, or any patron, will be charged to the Hirer at cost of repair rate plus administrative charge. These charges are to be paid either out of the bond held or within seven (7) days of receipt of invoice detailing such charges.

Cancellation of a Booking

A Hirer wishing to cancel a booking less than seven (7) days before the date of the booking, remains liable for all charges due and will forfeit its deposit unless the Hirer has been notified in writing that a re-let of the date has been effected. All cancellations must be made in writing to civiccentre@gawler.sa.gov.au.

Room Configuration and Decoration

TOG staff will provide a basic room set-up (tables and chairs placement), as stipulated in the ‘Gawler Civic Centre Application to Hire’ form. Final or specific layout and decoration is the responsibility of the Hirer, with agreement from TOG staff on duty, and must be completed during the designated Hire Period. Any tables, chairs or other such furnishings required over and above those supplied by the TOG, are the responsibility of the Hirer to provide and transport (such items must be removed immediately after the function). Items are not to be placed on any walls without Council permission.

Publicity and Banners

There are limited areas available for posters and the positioning of these must be approved by Council. All posters will be removed immediately after the event.

Freestanding banners are permitted in the venue, but positioning must be approved by Council prior to your event.

Security Personnel and Staffing

TOG reserves the right for Council staff to attend any function and may require the engagement of security personnel at the hirer’s expense.

Staffing charges will apply for any out of hour’s bookings, as per the ‘Hire of Gawler Civic Centre Venues Policy’.

Care and Damage

The hirer shall inspect the original condition of the facility and be responsible for any damage done to the said facility whether caused by the hirer or any employee, agent or any person associated with the hirer or with the hirer’s performance, rehearsal or use in any way whatsoever of the facility. The hirer shall be responsible for any abnormal costs incurred by the facility for abnormal cleaning occasioned by the hirer’s use of the facility. Council staff, at their absolute discretion, shall determine both abnormal cleaning and facility damage costs, following a post event inspection.

Cleaning and Waste Removal

At the conclusion of the Hire Period the hirer is responsible to ensure the facility is left in a clean and tidy condition. The Council representative is the sole judge on deciding the condition of the facility after hire, and determining whether additional cleaning charges or repair costs apply.

All rubbish must be placed in plastic garbage bags then deposited in the bins provided. It is the hirer's responsibility to remove all excess rubbish that does not fit in the bins. Any rubbish left by a group will result in additional charges.

Health and Safety

The hirer will be responsible for general safety of the facility during the Hire Period. It is the hirer's responsibility to acquaint themselves with the emergency procedures of the facility, fire extinguisher locations and emergency exits. TOG staff will make hirers aware of evacuation procedures. This may require hirers to attend the centre during business hours for a formal induction. In the event of a fire alarm being activated or other emergency, it is the hirer's responsibility to ensure that all people associated with their hire are evacuated from the building. They must also follow all instructions from Fire Wardens and Emergency personnel, where applicable. Every exit, passage and gangway and the immediate approaches to and from every exit door must be kept entirely free from any obstruction of any kind. All electrical equipment, including extension cords, must have been tested for electrical safety and display a current test tag. Any electrical cabling used in the facility must be made secure with tape or some other method approved by Council, to prevent accidents. First aid is the responsibility of the hirer. The TOG does not provide first aid or medicines.

Any direction by Council with regard to the health and safety of hirers or the general public shall be complied with to the satisfaction of Council.

Food and Beverage

Currently there is no onsite caterer (or Café operators) at the Gawler Civic Centre, however we can provide local catering contacts if required.

No BYO alcoholic drinks are allowed – see 'Liquor Licensing' below.

Catering must be provided and approved at the discretion of the TOG.

Liquor Licensing

It is the responsibility of the hirer to be acquainted with all the terms and requirements of the "SA Liquor Licensing Act 1997", and the "Work Health and Safety Act 2011". If the hirer intends to serve, sell, provide, consume or allow consumption of alcoholic beverages at the facility during the hire period, a limited liquor licence may be needed. All applications for a limited license must be lodged with the Consumer and Business Services at least 14 days before the event's start date. Liquor licence application information is available from the TOG upon request. Council must sight the hirer's Liquor licence prior to the commencement of the hire period.

WiFi

FREE public WiFi is available to everyone throughout the Gawler Civic Centre and also Murray Street: '**Gawler-Public-WiFi**'.

Licences and Authorisation

The hirer, where appropriate, shall ensure that it is licensed or registered to carry out the activity authorised by the hire of the facility through the TOG.

Insurance

The hirer is responsible for the insurance of all items and equipment brought into the facility by the hirer for the duration of the Hire Period. The hirer is responsible for Public Liability Insurance in respect of the hirer's use and occupation of any part of the facility. Whoever creates a hazard that causes either personal or property damage is deemed to be legally liable. As a separate entity from the owners of the premises, hirers cannot rely on the owners insurance to protect them. The hirer agrees to indemnify and keep indemnified the TOG, its servants and agents and each of them from and against all actions, costs, claims, damages, charges and expenses whatsoever which may be brought or made or claimed against them or any of them arising out of or in relation to the hire of the facility.

The hirer will take out and keep current a public risk insurance policy in the name of the permit holder insuring the permit holder for a minimum sum of ten million dollars (\$10,000,000) against all actions, costs, claims, damages, charges and expenses whatsoever which may be brought or made or claimed against the hirer in relation to the activity. The hirer must provide confirmation of insurance to the Council at least 7 days prior to the event. Such policy shall bear the endorsement of the Insurer indicating the Insurer accepts the indemnity given by the hirer. A hirer that is exempt from Insurance requirements must complete a site induction prior to the booking which will include a risk assessment on all hired areas.

One off hirers (eg Weddings, Social Gatherings) will be covered by the Council's General Public and Products Liability Insurance Policy. This does not apply to one off events held by businesses or organisations who would be expected to be covered by their own Public and Products Liability Insurance Policy. In order for the insurance to be valid, the policy name and hirer's name must be the same. Hirers without Public Liability must contact Council.

Further, hirers shall not permit any act, or anything, which may negatively impact the reputation of the TOG.

Gun powder or fireworks used for special effects are prohibited in all areas of the facility, at all times.

That is, noise to be kept within the level for Urban Residential Areas as specified under the Environment Protection Act, 1993 (Industrial Noise).

Council reserves the right to control sound levels at your event. As this is a multi-use facility, sound levels cannot be guaranteed and no liability will be accepted. Consideration should be given to other hirers and users. Failure to comply may, at the minimum, result in a reduction of bond payment or recovery in full of costs incurred if a complaint is made. Any attendance by SA Police may result in the bond being forfeited and may result in any further bookings being cancelled.

The facility is equipped with a full fire system. Damage or misuse of any part of this system will be charged to the hirer. Any unlawful discharge of fire extinguishers will be charged to the hirer plus an administrative charge. Should the hirer's activities trigger an alarm in the facilities fire detection devices, or security system, the hirer will cover the cost of the response by the relevant agency/service, plus an administrative charge.

Disputes

In the event of any dispute or difference arising as to the interpretation of the Conditions of Hire, or any other matter arising between the TOG and the hirer, the decision of the TOG or Council thereon shall be final and conclusive.
