

TOWN OF GAWLER
COMMUNITY LAND MANAGEMENT PLAN
PASSIVE RESERVES

Identification Details

See attached Schedule

Ownership Details

TOWN OF GAWLER

Purpose for which land is held

Each of these areas is held to provide passive recreation/public open space for the general community

Reason why management plan required

To ensure that land is maintained in a safe, accessible condition for public enjoyment

Objectives for management of land

Minimise hazards from fire,
Feral animal control
Weed control
(Meet Council's obligations under Animal & Plant Control Act as landowner)

Policies and proposals for management of land

- Provide reserve infrastructure as required for the benefit of members of the public eg, benches, signage, lighting etc

Performance targets

- To ensure passive recreation areas are maintained in a safe condition for public use
- To maintain irrigated reserves at a higher standard

Performance measures

- Regular inspections and maintenance of reserve including mowing, irrigation, weed control, fencing
