Statement from Gawler Mayor Karen Redman – Acting CEO

Council has engaged Perks Peoples Solutions to assist Council in the recruitment process to find a suitable candidate to take the Town of Gawler into its next chapter. In the interim period, while we undertake this recruitment process, Council has appointed Mr Andrew Goodsell as Acting CEO until this position is filled.

Andrew brings extensive experience and understanding of the Town of Gawler's goals and values, having been a pivotal member of our leadership team since August 2022. Andrew brings to the Town of Gawler significant experience in project management and planning, with roles across Tasmania, NSW and Victoria spanning all 3 sectors of local government, state government and private practice. We are confident that Andrew will provide strong leadership and guidance during this transitional phase.

Once again, on behalf of the Council, I extend our gratitude to Henry for his dedication to the well-being of both the Council and the Gawler community throughout his remarkable 11 years of service.
