Town of Gawler to start search for a new CEO

The Town of Gawler is about to embark on its search for a new Chief Executive Officer.

Key Points

- The recruitment process is about to start, and Perks People Solutions have been appointed to assist the Council in finding a new Chief Executive Officer
- The role will be advertised from Wednesday 24 April for 4 weeks

The CEO position holds significant responsibilities, and we are looking to appoint a seasoned senior leader to build on the progress achieved by the outgoing CEO and guide the long-term direction of this diverse community. We are searching for an inspirational, forward-thinking individual who can think ahead.

Our new CEO needs to be an authentic leader with strong relationship-building skills to work positively with Council, staff and key stakeholders while becoming an integral part of the local community.

Quotes attributable to Mayor Karen Redman:

“I expect the process will be highly competitive, attracting candidates not just locally but from interstate. A reflection of the Town’s reputation as a successful local government organisation. This will be a demanding role but one which will be extremely rewarding.”

“Our next CEO will play a vital role in the Council's journey of sustainability and growth, highlighting our town and creating opportunities for residents and visitors to enrich their lives.”

“This is an important appointment for the organisation and community, so we can all continue to build on the great work happening in Gawler. We look forward to making an announcement about the successful applicant in due course.”

Council’s Executive Manager Development and Compliance Andrew Goodsell has been Acting CEO since mid-February.

Enquiries about the CEO position can be directed to Matt Hobby, on 08 8273 9385 or email mhobby@ppsconsulting.com.au
